

## Add function ability to “Delete” under “Action” options

The screenshot shows the Rubadub application interface. On the left is a sidebar with navigation links: Dashboard, Country, Users, Providers, Companies, Ongoing Requests, History, Earning, WalletHistory, Settings, and Documents. The main area displays a table of company data with the following columns: ID, Name, Email, Phone, Username, Country, and Wallet. An 'Action' column on the right contains three options: 'View Documents', 'Decline', and a three-dot menu. A red box highlights the 'Action' column for the first row. The top of the page includes a search bar, item per page dropdown (set to 10), and a go to page dropdown (set to 1). The status is set to 'All'.

ID	Name	Email	Phone	Username	Country	Wallet	Action
5	cook service pvt. Ltd.		+91 9909900555	cook	India	-529.6 INR	<span>⋮</span> View Documents Decline
4	NG's Store		+91 8888888888	iosuser	India	-10 INR	<span>⋮</span>
3	Company Name		+1 5713367058	username	United States	0 USD	<span>⋮</span>
2	Detailers of NaplesdJoseph874@icloud.com	+1 7036359362		radatlantic	United States	80 USD	<span>⋮</span>
1	RUB A DUB MARINES LLC	daniel@rubadub.com	+1 5713367059	radmarines	United States	0 USD	<span>⋮</span>

Add function ability to “Delete” under “Action” for:

- Users
- Providers
- Companies

The screenshot shows the Rubadub application interface. On the left is a sidebar with navigation links: Dashboard, Country, Users (highlighted with a red box), Providers, Companies, Ongoing Requests, History, Earning, WalletHistory, and Settings. The main area displays a table of user data with the following columns: ID, Name, Company, Email, Phone, City, Wallet, and Action. The Action column contains three options: Decline, Document, and a pencil icon. A red box highlights the Action column header and the first two options. The table data is as follows:

ID	Name	Company	Email	Phone	City	Wallet	Action
15	Brennan Seaman	Detailers of Naples	daniel@tecvventuresllc.cor+1 2395551234		Naples	100 USD	<span>Decline</span>
14	Mario Brothers Detailing		joseph@gordianpropertie+1 2393800913		Naples	110 USD	<span>Document</span>
13	Marquis Diamond Mobile Detail		info@tipsygov.com	+1 7036359362	Naples	7000 USD	<span>Decline</span>
12	Ojo Osagie		ojosoagie163@gmail.com+234 8036086172		Fairfax	0 USD	<span>Document</span>

6	Test Testing	Detailers of Naples	dtisone@me.com	+1 7035557878	Naples	0 USD	<span>Document</span>

Add function “Edit / Add Service” and “Edit Status” under “Action with “Ongoing Requests”

The screenshot shows the Rubadub application interface. On the left is a sidebar with navigation links: Dashboard, Country, Users, Providers, Companies, Ongoing Requests (which is currently selected), History, Earning, WalletHistory, Settings, and Documents. The main content area displays a table of ongoing requests with columns: ID, User, Provider, Service, Status, Total, Date, and Action. A specific row for request ID 53 is highlighted, showing details for Daniel (User) and Marquis Diamond Mobile Detail (Provider). The 'Action' column for this row contains an info icon (i). To the right of the table is a detailed view of the selected request. This view includes the address (550 Starboard Dr, Naples, FL 34103, USA), User Details (Daniel, +1 2393800913), Provider Details (Marquis Diamond Mobile Detail, info@tipsgov.com, +1 7036359362), and three buttons labeled Service, Invoice, and Status, all of which are highlighted with red boxes. Below this is a section titled 'DETAILING Services' listing 'Engine Bay Cleaning' at \$20.00 and 'Carpet Cleaning' at \$45.00.

Similar to this:

This screenshot shows a similar application interface for managing ongoing requests. At the top, it displays the address: 222 Harbour Dr, Naples, FL 34103, USA. Below this is a 'User Details' section featuring a profile picture of Daniel Tisone, his email (dtisone@me.com), and phone number (+1 7036359362). The next section is titled 'employee\_detail' and contains three buttons: 'Accept', 'Accept And Edit', and 'Reject'. Below these buttons is a 'Status' section with tabs for 'Service', 'Invoice', and 'Status', with 'Status' being the active tab. Under the 'Status' tab, the status is shown as 'Waiting' with a checkmark icon, and the timestamp '13 Mar 2023 10:18 pm'.

Under “Country” please clean up the process

It is confusing on how it functions.

The screenshot shows a software application interface. On the left, there is a vertical sidebar with the following navigation links:

- Country (selected)
- Service
- Service Price
- Users
- Providers
- Companies
- ...

In the center, there is a main panel divided into two sections. The top section has a blue header bar with a search bar containing the placeholder "Search" and a button labeled "+ Add Service". Below this is a table with three columns:

	Sub Service	Sub Service Description
compact	COMPACT	2 door convertible or similar
midsized	MIDSIZE	4 Door Midsize Sedan or similar
full size sedan	Full Size Sedan	Mercedes 550, BMW 7 series, etc.

The bottom section of the main panel contains a list of service categories with edit icons:

- MOBILE DETAILING
- CERAMIC COATING
- PPF
- WINDOW TINT

Enable companies to add more services in company panel

The screenshot shows the company panel interface. On the left, there is a sidebar with various options: Eservice (highlighted with a red box), Profile, Employees, Ongoing Requests, History, Earning, Service Price (highlighted with a red box), Documents, and WalletHistory. The main area is titled "Service list" and shows a list for "Naples (United States) DETAILING". A red arrow points from the "Service Price" option in the sidebar to this list. The list displays two services: "Engine Bay Cleaning" (Fixed price: 100) and "Carpet Cleaning" (Fixed price: 100). There is a blue header bar at the top right with the text "United States -> Naples -> DETAILING" and an "Update" button.

The screenshot shows the service list and an edit screen. On the left, the "Service list" sidebar shows categories: MOBILE DETAILING, CERAMIC COATING, PPF, WINDOW TINT, and DETAILING. The "MOBILE DETAILING" category is selected and shown in a detailed view on the right. This view has a blue header bar with "+ Add Service" and "Update" buttons. It lists four sub-services: "Sub Service" (with a shield icon), "COMPACT" (with a car icon), "MIDSIZE" (with a car icon), and "Full Size Sedan" (with a car icon). Each row has a "Sub Service Description" column and "Edit" (pencil icon) and "Delete" (trash icon) buttons. A red arrow points from the "Edit" button next to the "Sub Service" row to the "Edit" button in the "MOBILE DETAILING" row in the sidebar.

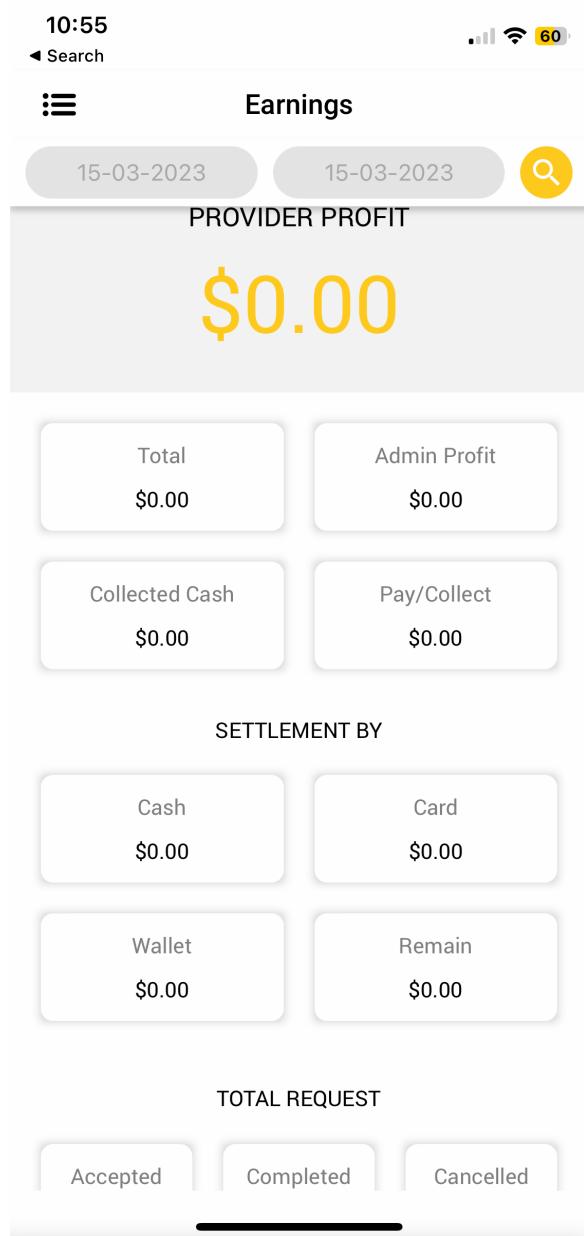

Stripe Connect functionality is deprecated and needs to be updated.

The screenshot shows the Stripe Dashboard interface. At the top, there's a navigation bar with links for Home, Payments, Balances, Customers, Products, Billing, Reports, Connect (which is highlighted in blue), and More. On the far right of the top bar are buttons for Create, Help, Settings, and User profile. Below the top bar, the user is identified as "Jerrod Galloway" with a "Restricted" status, and "Payments Disabled" and "Payouts Disabled". There are also "Copy ID" and "..." buttons.

The main content area has a sidebar on the left with links for Activity (which is selected and highlighted in blue), Profile, Settings, Payments, Invoices, Subscriptions, Customers, and Products. The main panel starts with a warning message: "⚠ The legacy\_payments capability is deprecated as of Sep 8, 2020 for new accounts and Sep 28, 2020 for existing accounts. Add additional capabilities to enable payments and payouts." Below this, the "Activity" section is titled "Account balances". It shows "PAYMENTS" with three rows: "Total balance \$4.25 USD", "Funds on hold \$4.25 USD", and "In transit to bank \$0.00 USD". There are "Add funds" and "..." buttons next to these rows. A "Debit negative balances" switch is set to "Off". The "TOTAL VOLUME" section shows "Lifetime total volume \$467.20 USD". At the bottom of the main panel, there's a "Manage payment" button and a "..." button.

On Android / iOS Provider App, during sign up, the Provider should input their information for payouts through Stripe Connect.

They should be able to update the bank account they want their automatic payouts to go to through

Companies should be able to input their bank account information upon sign up as well as be required to upload their Articles of Incorporation and EIN Letter as well as their bank account routing and checking account number.

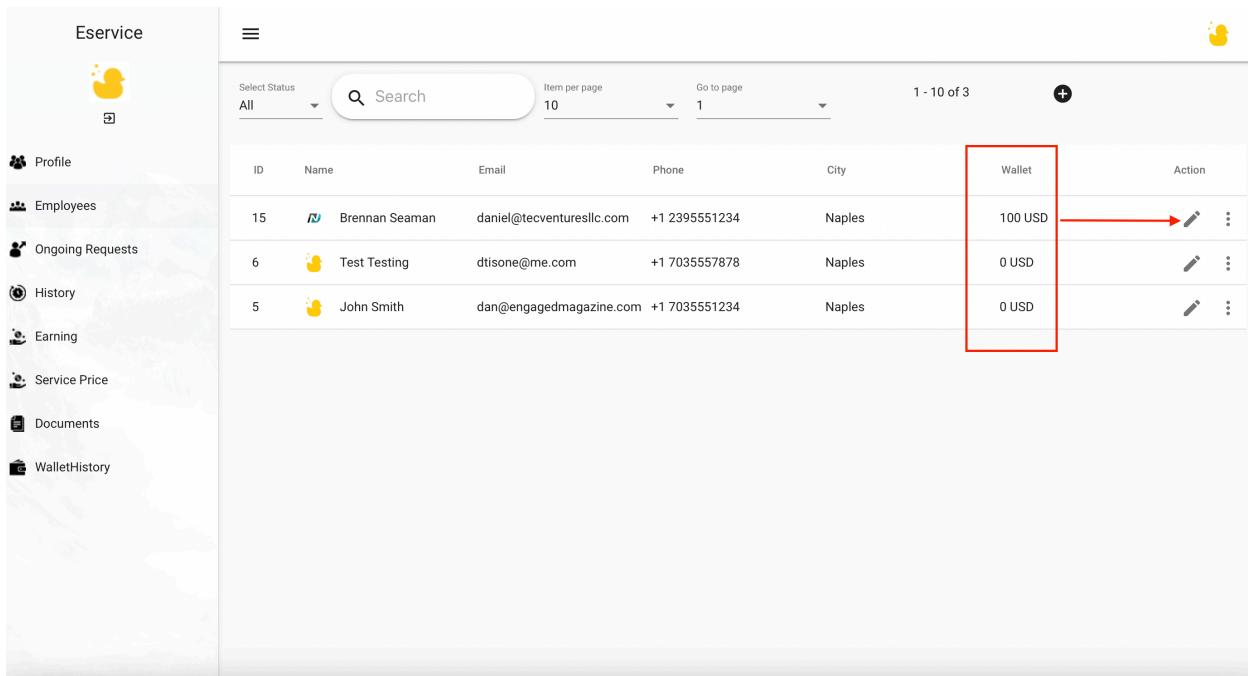

The screenshot shows the Eservice dashboard interface. On the left is a sidebar with icons for Profile, Employees, Ongoing Requests, History, Earning, Service Price, Documents, and WalletHistory. The main area displays a financial summary table and a detailed payment history table.

Total completed	100.00 Total	10.00 Admin profit	90.00 employee_profit	90.00 pay_to_employee	0.00 collect_from_employee
0 Total cancelled	0.00 Cash payment	100.00 Other payment	0.00 Wallet payment	90.00 Settled amount	0.00 Remaining amount

Below the summary is a search bar and pagination controls (Item per page: 10, Go to page: 1, 1 - 10 of 1).

ID	Provider	Phone	Payment Type	Total	Profit	Cash	Card	Wallet	Pay/Collect	Settlement By
61	Brennan Seaman	2395551234	Stripe	100.00	10.00	0.00	100.00	0.00	90.00	Wallet

Enable companies to dictate what percentage or fixed fee “Employees” earn in place of wallet (connected to Stripe Connect)

The screenshot shows the Eservice application interface. On the left is a sidebar with icons and labels: Profile, Employees, Ongoing Requests, History, Earning, Service Price, Documents, and WalletHistory. The main area has a header with a search bar, filters for Select Status (All), Item per page (10), and Go to page (1). It displays a table titled "1 - 10 of 3" with columns: ID, Name, Email, Phone, City, and Wallet. The table contains three rows:

ID	Name	Email	Phone	City	Wallet	Action
15	Brennan Seaman	daniel@tecvnturesllc.com	+1 2395551234	Naples	100 USD	 
6	Test Testing	dtsone@me.com	+1 7035557878	Naples	0 USD	 
5	John Smith	dan@engagedmagazine.com	+1 7035551234	Naples	0 USD	 

A red box highlights the "Wallet" column for the first row, and a red arrow points from the "Edit" icon in that row to the "Wallet" column.
